Hello George,

My name is Privacy Privacy, Susi from mini mansion referred me to you about my current situation in need. On January 20th there was an impactful accident that changed the lives of my mother, nephew, niece, and I in couple of seconds. My brother Greg suffered from anger issues and constant arguments that on that night of January 20th led him to the action of him burning our home without hesitation. The American Red Cross came to help us at the moment after the fire and gave us some money to help us out. They had told me that I would be reached out within 24-48 hours to see about housing but they just ended up referring me to other services. My family and I lost everything we had in our home of 20 years. My mother Privacy has full custody of Privac and Privacy who are the children of my brother. We are currently staying with one of my neighbors while we seek for help to get housing. Due to this tragic event we do not have any clothes or financial help besides what the Red Cross gave us. As in for myself, I work 2/3 days throughout the week to try to help out my mother financially. Susi has seen my family and I grow throughout what was our 20 year old home and she kindly gave me your information to see if you can help us. If there is anything that you can do to help my family and I, I would truly appreciate it. I can be contacted through either via email Privacy Privacy or my phone number Privacy. Once again, thank you.

Thank you,

Privacy

Hi George,
Thank you for your concern.
It's now been a week since the fire and I think it's finally sunk in that she does not have a home or any personal possessions for herself or the children.
I was in touch with one of the neighbors friends today, who came by with about 12 bags of clothes and toys for the children!
Rosalba was very grateful.
She also brought a Spanish interpreter, who was able to give her the good news that anything she needed she would hopefully be able to get for her!
Bunkbeds , couch , table chairs etc. I had Rosalba and the lady exchange phone numbers, so that when Rosalba gets a new home, she can call her self and the lady will bring the stuff to her!
I also gave her a microwave, TV kitchen utensils and towels together with \$200 donations from mini mansions.
It's a great start!
Please keep me updated regarding Jesus's help
Thanks again for all your help 🌹🌹🌹

Enjoy your day!!
